ELECTRIC METER BOX | SURFACE MOUNTED

INSTALLATION ADVICE

Designed to house UK standard domestic electric meters

✓ Satisfies all NHBC requirements

✓ Manufactured to BS EN ISO 9001-2015

✓ Complies with all relevant Building Regulations

✓ Meets all relevant British Standards

1.

This meter box should only be fitted by a suitably qualified person.

2.

Back plate must be removed prior to installation and fixed to the wall.

3.

Box should be fitted so that it is level with its base, ideally 500mm and 1500mm from the finished level.

4.

Using the back plate for reference, mark the fixing holes on the wall, box must be level. Drill and plug the wall.

5.

Secure box to the wall.
